

Framing A Future - Background Information

Name of young adult/teen: _____

Date: _____

Name of person completing form: _____

Relationship: _____

Having background information pertinent to the categories addressed in the Framing A Future tool will help us both explain and administer the survey with your teen/young adult.

Please go over each category, reading the description and survey items. Then in the space below, please provide factual background information such as names, places, and activities that are a part of your family life as they pertain to each category.

Please also help us out by listing family members and names:

Community Membership:

Control of Personal Health and Welfare

Pursuit of Lifelong Learning

Developing Talents and Interests

Creating Healthy Relationships

Self-Reliance

Developing a Personal Sense of Spirituality
