

I LEARN BEST WHEN...

Directions: Check the answer that describes the way you learn best.

1. I usually study

- In a quiet room.
- In front of the TV set.
- With a friend.
- With music on.

I think I learn best (where).

2. I usually study

- When I wake up.
- After lunch.
- Before lunch.
- Late at night.

I think I learn best (when).

3. It's usually easiest for me to remember if I

- Read a story.
- Hear a story.
- Write down a story.

So before a history test I should prepare (how) by.

4. Usually when I have a test I

- Study a little every day.
- Study the day before.
- Wait until the morning of the test to study.

I think I would be best prepared for a test if I.

5. The things I learned most from this year so far have been
Field trips.

(Fill in).

(Fill in).

(Fill in).

6. Now, as a summary, describe in your own words where,
when, and how you learn best.
